Customer Quality Complaint Report

Complaint Reference No: CC-2026-00154

Date Received: 12 July 2026

Reported By: ABC Formulations Ltd. (Procurement QA)

Complaint Channel: Email

Product Details

Product Name: Metformin Hydrochloride API

Grade/Strength: IP/BP

Batch / Lot Number: MFH260712A

Manufacturing Date: 25 June 2026

Expiry Date: Not provided by customer

Affected Quantity: 25 kg (1 HDPE Drum)

Complaint Description

During incoming raw material inspection at ABC Formulations Ltd., visible foreign matter (dark fibrous particles) was observed within the Metformin Hydrochloride API drum referenced above. The drum seal was intact upon receipt. Customer has quarantined the batch and requests investigation, root cause analysis, and replacement of the affected quantity.

Requested Action: Investigation + Replacement
